Industrial Labeling Tool

Introducing the labeling tool that gets it done fast

Power, speed and ease-of-use are RHINO's signature qualities. And, now they are available in a desktop model for the very first time. The RHINO 6500 is ideal for assembly shop environments such as panel builders and wire harness shops – or any place that you would like to kit labels and bring on the worksite.

Rhino 6500 Features:

- 1 Intuitive Graphical Interface** - Create, edit and preview multiple labels on the large backlit LCD
- 2 Auto-Cutter** - During a batch print, motorized cutter automatically cuts each label as it is printed – can be turned on or off
- 3 Save Your Labels** - Customize over 1,000 labels with logos and symbols – and recall them instantly
- 4 Hot Keys** - Eliminate guesswork, complicated menus and enjoy fast and easy formatting of commonly-used label types
- 5 QWERTY Keyboard** - Familiar keyboard layout for easier typing
- 6 Symbols** - Over 100 pre-programmed industry symbols
- 7 Powerful Serialization** - Built-in wizards for simple and advanced serializations
- 8 Library** - Over 150 pre-programmed industry terms and the ability to customize your own library of terms, graphics, logos and symbols
- 9 Quick-Charge Li-Ion** - Rechargeable Battery With on-screen battery life indicator
- 10 Integrated Impact Bumpers** - Protects against harsh conditions while allowing easy access to label cartridge
- 11 Power-Assisted Cartridge Ejection System** - With automatic label size sensor

Label Colors

Labels that stick and stay stuck.

RHINO labels are easy to use and super-strong. Thanks to industrial-strength adhesives, they deliver the lasting durability and legibility you demand – for a multitude of applications. To meet your high standards, RHINO labels are designed to work exclusively with RHINO printers and perform on a variety of surfaces (smooth, curved, textured and highly textured).

- Industrial-strength adhesives help these labels stick and stay stuck – in harsh worksite conditions.
- Thermal transfer print technology produces labels that are durable, smear-proof and resistant to chemicals, solvents, heat, UV and more.

Ideal Label Applications
